

Dolton C of E Character Update 13.10.23

Inspiring Fundraisers

The children in Little Otters and Tigers Class will be taking on The Hedgehog Walk next week. We will challenge ourselves to walk 3km - the same distance a hedgehog travels each night, walking from the school and around the village sports field until we have covered the distance. We would really appreciate your support with our challenge as we raise money for the wildlife trust. This challenge will help us think about how important it is to care for our world whilst putting our virtue of generosity into action.

Every £1 we raise will preserve nature, as part of The Wildlife Trusts' mission to protect 30% of land and sea by 2030. For more details please visit:

Character at Dolton...

Over the last few weeks our focus virtue has been **'Friendliness'**. We have explored the Bible story of the Good Samaritan and spent time discussing what friendliness looks like in the way we act and conduct ourselves. Some great examples of friendliness our children have expressed are 'smiling at someone new', 'offering to help someone out', 'going out of your way to help someone and giving them your time'.

Inspiring Speakers and Researchers

The children in Lions' Class performed brilliantly at the Harvest service. All children spoke clearly and confidently to a church full of parents. Their advice on sustainability and being thankful was truly inspiring. They also sang with true joy all three of the songs in the service.

Tigers and Little Otters enjoyed a visit from Mr Ilfold, a member of the Dolton community, who generously offered to speak to the children about the population of hedgehogs in Dolton. The children displayed virtues of friendliness, curiosity and compassion as well as asking insightful questions.

We need you!

We are always looking for volunteers to help with projects across the school so please let us know if you are interested and can support our school community.

Last week Clinton and Dolton met together to try food from a new provider. We enjoyed the tasty meals and had some fantastic feedback from the children! Thank you to everyone who volunteered and helped to organise the shared lunch.
