

Dolton Update 19.04.24

Welcome back to the Summer Term!

I hope that you all managed to have an enjoyable and restful Easter break, despite the rain!

It has been lovely to have some sunshine this week and see the children able to enjoy the outdoor spaces for learning. The children have had a great first week back and I have really enjoyed seeing how enthusiastic they have been in approaching their learning tasks. You can read more about what the children will be developing their skills and knowledge in, across the curriculum, on their class Curriculum C360 Maps that I have also shared with you.

A huge thank you and well done to those of you who are continuing to complete your home learning, using the activities and tasks on Seesaw and logging your reading at home on Seesaw. This has a great impact on both supporting and consolidating your learning in class!

Confidence is our focus character virtue for the next few weeks and the children have started to think about and consider their aims and goals, both for now and in the future.

As we start our final term of the year, it is wonderful to see how much the children have already grown, both physically and academically, and how their characters have developed. I am excited to see their continued achievements in the term ahead!
