

# Dolton Update 07.06.24

## Welcome back to the Summer Term!

It has been wonderful to welcome you all back following the half term break I have been really impressed with how the children have returned and embraced their new learning!

You can read more about what the children will be developing their skills and knowledge in, across the curriculum, on their class Curriculum C360 Maps that I have also shared with you.

As you know encouraging the children's learning at home is also vital in enabling them to continue to consolidate and deepen their knowledge and understanding - we thank you for your support!

Our new breakfast club has been a huge success and it has been wonderful to see the positive impact that this has had on the children in being ready to start their learning for the day! **Please remember if your child is not attending breakfast club they need to be in class ready for 9:00am**

Our focus virtues this half term are **courtesy, honesty** and **reflection** - the children have already been revisiting and exploring expectations for learning behaviours as well as how we conduct ourselves both in and out of school, and have discussed the importance of being respectful and well mannered to others! We have been very proud of their responses and look forward to continuing to witness them living this out!
