How can you encourage and extend your child's learning at home?

Talk to your child about the changes in the weather/ season, how it feels, and the clothes they're wearing to keep warm.

Encourage them to fasten coats and put on boots and gloves - this is a great way to develop independence and confidence alongside fine motor skills.

This time of year is full of wonderful community events - let us know what you and your child have enjoyed so we can be inspired and explore these celebrations in our play!
