

Dolton C of E Head Teacher Update 28.04.25

For those of you that I have not managed to see yet - welcome back!

The children have had a great first week back and very much enjoyed their respective trips out to Nethercott House and Farm to kick start their learning for this term! The children demonstrated excellent curiosity and critical thinking around the new experiences that they were faced with, asking some super questions and making links with their prior learning.

You can read more about what the children will be developing their skills and knowledge in, across the curriculum, on their class Curriculum C360 Maps that I have also shared with you.

Our focus virtues for this half term are: Service, Volunteering and Resilience.
